### **Questions for Board**

Based on our review of the Bylaws Manual the follow questions came up:

Should there always be a co-chair, or a chair-elect? We haven't had a co-chair lately.

Is the Membership Services Committee the new name for the Database and Directory Committee?

Where should we or who should post our changed documents? The links on the Bylaws page to the calendar and manual go back to the home page after a brief 404 error.
