1. Webinar task force group (cec-webinars)

The October 24, 2019 webinar titled *Designing for Accessibility* presented by Mellissa Green was very well-received, and three more webinars are lined up for the coming months. The February webinar titled *What makes a good Mentor?* is being rescheduled for early March. Rescheduling was necessary due to the extra time needed to learn and document the webinar setup process for the new software platform, Wild Apricot. The March webinar titled *Upcycling a Schol Comm Unit* is scheduled for March 30. The April webinar titled *Unpaywall/Net Cost Per Paid Use* schedule date is pending.

Additionally, a three-part LOC series on Digital Preservation is tentatively scheduled for September/October/November, 2020, and will provide the 2020-2021 CEC team with their first events.
